WALKING SAFARI

Walking in the wild not only allows for a truly unique experience, it also means you gain a more in depth understanding of the natural world that surrounds you. Follow in the footsteps of the iconic big-five, learn about their detailed tracks and behaviors to even the different trees that surround you as you walk. Century Safaris has listed three walking trails itinerary's found in three of our favorite countries – Botswana, South Africa and Zambia.

AFRICA ON FOOT | WILDERNESS TRAILS

Africa on Foot Wilderness Trails is a one-of-a-kind mobile safari experience in South Africa. This is one is for the adventurers and nature lovers who are looking for a walking safari experience like no other. Each day is spent walking through the 8000 hectare reserve in the Greater Kruger Park, and each night is spent at a new, fully set up mobile campsite in a scenic location. Highly qualified trails guides will conduct walks through game rich areas, where the big 5 roam freely amongst plenty of other mammals and plains game. Your 3- day trail will cover a diverse landscape dotted with hills, waterholes and rocky terrain - plenty of scope to view of a variety of game!

Rates From | R8250.00 per person for the 3-night Trail

ROBIN POPE SAFARIS | ZAMBIA

South Luangwa was the original walking safaris destination, and Robin Pope has been operating since 1991 and were the first to promote walking safaris in Africa. This 7 day itinerary has long considered the best wilderness experience in South Luangwa and your experienced guides have incredible knowledge of this unique terrain and the animals that inhabit it. This pristine part of Zambia is remote and wild and untouched, there are many things to see whilst walking from termites and bee-eaters to lions and elephants, you will learn the intricacy and interconnectivity of the bush around you. Almost each day is spent at a different mobile camp, set up in remote and scenic locations and of course perfect for game viewing. Each day you will cover around 10km following the winding Mupamadzi River.

Rates From | US\$ 5364 per person sharing for the 7 nights

AFRICA ECCO | BOTSWANA

Afrika Ecco Safaris offers something different, taking adventurous guests deep into nature and guiding them through the best of Botswana's wilderness. The beauty of this safari is that there is no sole location, and the whole trip is an adventure discovering the safari hotspots of the irresistibly wild country on foot, by boat and on game drive. Itineraries can include: the fan-shaped floodplains of the Okavango Delta; acacia-filled grass plains of the Central Kalahari; game-rich Xini lagoon in Moremi Game Reserve; endless Makgadikgadi salt pans; northern Chobe's pristine Savute Marsh. The safari experience at Afrika Ecco is all encompassing in that it offers game activities for both land and water to suit which destination is being visited. The whole trip can be tailor-made to suit the guests, so that daily schedules are built around what the guests would most like to do whether that's walking in the wild or off in search of wildlife by boat.
